HOME FOR CHRISTMAS (Hidden Track)

DERYL DODD

BRETT BEAVERS

That city limit sign means just a few more miles to go
I can almost taste that ice cream mom makes out of
snow

Dad always wears that funny hat made with mistletoe
Iâ€™m goinâ€™ ho ho ho home for Christmas

I canâ€™t wait to decorate the tree with you by my side
And read the Christmas story while gathered round the
fire

Wake up early in the morninâ€™ just to see the
childrenâ€™s eyes
Iâ€™m goinâ€™ ho ho ho home for Christmas

Bridge:

Somethinâ€™ â€™bout this time of year that brings out the
boy within me

Cause i catch myself wonderinâ€™ how old Saint Nick
gets down the chimney

Thereâ€™s lights on every roof top and Rudolph on the
radio

Iâ€™m goinâ€™ ho ho ho home Christmas

Weâ€™ll sing all our favorite songs, from jingle bells to
frosty

Then Iâ€™ll get out my old guitar and let grandpa do his
best Bing Crosby

No matter what the weather itâ€™s the warmest time i
know

Goinâ€™ ho ho ho home for Christmas
