Show me a bar with a good-looking woman  
Then just get on out of my way  
Turn on the jukebox  
I'll show you what song you should play  
Sooner or later, a few shot\*s\* of Bourbon and  
I'll think of something to say  
I can take her or leave her  
But I'd like to take her away

Liquor and music, a good combination  
If you got a love on the brain  
Well I never knew two women who acted the same  
Someone to drink \*first\* and  
Someone to just sit and talk  
It's two in the morning  
I'm running and she wants to walk

Something's got a hold on me  
It's cheap but it ain't free  
Love or something like it's  
Got a hold on me

That's when I asked her  
My place or your place  
I hope that I'm not out of line  
But I asked the wrong thing  
To just the right woman this time  
She knew a hotel  
She even had a name we could sign  
The cheaper the grapes are  
The sweeter the taste of the wine

Something's got a hold on me  
It's cheap but it ain't free  
Love or something like it's  
Got a hold on me

Something's got a hold on me  
It's cheap but it ain't free  
Love or something like it's  
Got a hold on me

Love or something damn near like it's  
Got a hold on me
