We're like day and night
Black and white
Every now and then
Yes that's just the way it is sometimes
Between a woman and men
Sure I could leave
Or you could leave
But in our hearts we know
That stayin' is the only way to go

Though we're not the same
The same love keeps us together
And we still believe that promises
Are meant to last forever

Sometimes tears will fall
But through it all
We'll keep holdin' on
'Cause stayin' is the only way to go

Though we're not the same
The same love keeps us together
And we still believe that promises
Are meant to last forever

We'll have ups and downs
Smiles and frowns
But that's the way love grows
So stayin' is the only way to go
I know stayin' is the only way to go
