TOGETHER AGAIN

By Buck Owens

Together again

My tears have stopped falling

The long lonely nights

Are now at an end

The key to my heart

You hold in your hand

And nothing else matters

WeÂ're together again

Together again

The grey skies are gone

YouÂ're back in my arms

Now where you belong

That love we once knew

Is living again

And nothing else matters

WeÂ're together again

And nothing else matters

WeÂ're together again
