Listen as your day unfolds
Challenge what the future holds
Try and keep your head up to the sky
Lovers they may cause your tears
Go ahead release your fears
Stand up and be counted don't be 'shamed to cry

You gotta be, you gotta be bad
You gotta be bold, you gotta be wiser
You gotta be hard, you gotta be tough, you gotta be stronger
You gotta be cool, you gotta be calm, you gotta stay together
All I know, all I know love will save the day

Herald what your mother said
Read the books your father read
Try to solve the puzzles in your own sweet time
Some may have more cash than you
Others take a different view
My, oh, my
he-eh-y

You gotta be bad
You gotta be bold, you gotta be wiser
You gotta be hard, you gotta be tough, you gotta be stronger
You gotta be cool, you gotta be calm, you gotta stay together
All I know, all I know love will save the day

Time asks no questions it goes on without you
Leaving you behind if you can't stand the pace
The world keeps on spinning can't stop it if you tried to
The best part is danger staring you in the face

Remember, listen as your day unfolds
Challenge what the future holds
Try to keep your head up to the sky
Lovers they may cause your tears

Go ahead release your fears

My, oh, my

He-ey-y

You gotta be bad

You gotta be bold, you gotta be wiser

You gotta be hard, you gotta be tough, you gotta be stronger

You gotta be cool, you gotta be calm, you gotta stay together

All I know, all I know love will save the day

You gotta be bad

You gotta be bold, you gotta be wiser

You gotta be hard, you gotta be tough, you gotta be stronger

You gotta be cool, you gotta be calm, you gotta stay together

All I know, all I know love will save the day

Got to be bold, Got to be bad

Got to be wise, no never sad

Got to be hard, not too too hard

All I know is love will save the day

You gotta be bad

You gotta be bold, you gotta be wiser

You gotta be hard, you gotta be tough, you gotta be stronger

You gotta be cool, you gotta be calm, you gotta stay together

Oooh, yeah yeah yeah
