Love is my passion
Love is my friend
Love is universal
Love never ends
The why am I faced with so much anger so my pain?
Why should I hide?
Why should I be ashamed?
Time is much too short to be livin' somebody else's life
I walk with dignity, I step with pride
(chorus) Cause I ain't moving from my face, from my
race, from my history
I ain't movin' from my love my peaceful dove, it means
too much to me
Loving self can be so hard
Honesty can be be demanding
Learn to love yourself it's a great, great feeling
When you're down baby, I will set you free
I will be your remedy, I will be your tree
A wise is clever, seldom ever speaks a word
A foolish man keeps talking, never is he heard
Time's much too short to be livin' somebody else's life
I walk with dignity, I step with pride
Time's too lonely, too lonely without words
Future voices need to be heard
Eyebrows are always older than the beards
Momma said be brave, you've nothing to fear
(chorus)
I ain't movin, I've been here long before
I ain't movin cause I want more
I ain't movin, got my feet on the ground
As far as I'm concerned, love should win the rounds
