Proud to be a dread (Contd)

Leo, faces many trials,
But holds his head up high.
He won't allow the hatred to
Make his spirit die.
Leo looks up to the moon,
Sitting in it's silver spoon.
Maybe I should change my job,
Be an astronaut instead.

'Cos I'll be better, I'll be stronger.
For the truth, I know takes longer.
I've the cunning of the tiger and the wisdom of the
trees. I won't be sad,
Refuse the sorrow.
I look forward to tomorrow.
I'll release my anger,
'cos I'm proud to be a dread.

'Cos I'll be better, I'll be stronger.
For the truth, I know takes longer.
I've cunning of the tiger and the wisdom of the trees. In
my dealings,
I'll be honest. To myself I make this promise.
I'll release my anger,
'cos I'm proud to be a dread.

I'm kissing you

Pride can stand a thousand trials
The strong will never fall,
But watching stars without you,
My soul cried. Heaving herat is full of pain,
Oh, oh, the aching.

'Cos I'm kissing you

Pride can stand a thousand trials
The strong will never fall,
But watching stars without you, My soul cried. Heaving
heart is full of pain,

Oh, oh, the aching.

'Cos I'm kissing you, oh.
I'm kissing you, oh.

Touch me deep, pure and true...
Gift to me forever.
'Cos I'm kissing you, oh.
I'm kissing you.

Where are you now?
Where are you now?

'Cos I'm, oh I'm kissing you.
I'm kissing you, oh, ohhhh!
