Don't be scared
The snarling monsters are deaf,
But let's tiptoe just in case along this wall
Don't let go of my hand
It's getting darker and colder as we go
This place is creepy
But we can't let the fear slow us down
Choke back those tears

We must be brave if we plan on getting out of here
If we want to see the light of day again

Don't be scared
The bloodthirsty beast could catch us
If we let him know we're here
Don't let go of my hand
The dark encroaches
Reaches for our hearts
But we will not let it get us

We must be brave if we plan on getting out of here
If we want to see the light of day again
