[Intro: Juelz Santana]

Yeah Dip Set Juelz Santana (I'm liking this)

Jim Jones, Freekey, Killa

[Chorus: Razah + Juelz Santana]

(R) Wherever I go

(J) Dogg I'm in the hood screaming what's really good

(R) Wherever I go

(J) You already know, you already know

(R) Wherever I go

(J) We smoking the best here feeling you yes sir

(R) Wherever I go

(J) Things never change shit just stay the same

[Juelz Santana]

Now they screaming out you already know

How fast the coupe already goes when I step on the  
peddle

I shoot the every show with the chicken stiletos

I like that I'm just a kid from the ghetto

We I move the petty goes

In very town I touchdown in yep and puff down in

Wherever I go

Niggaz solute me your as truly santana the great oh

You should be ashamed and embarrassed

How I came in the game got a name and established  
woh

And my pivit is posted if you niggaz is scheming

My niggaz will notice they will get you and blow it

Man I did I dun I got it fuck it I admit it I stole it I'm that  
nigga I know it

So come get it and you think you can hold it

I don't think so nope I don't think so

[Chorus]

[Jim Jones]

Its nobody gods I'm puffing marley ducking squaleys  
cars

Wherever I go

You know I stay fly float threw the sky smoke with my

guys(westside k-town)  
On the corner where cotchies died now lets go to n.y.  
and love it  
But out on the west I don't step out of my vest unless  
doggs I'm about to have sex  
Wherever I go  
You know my wrist stay naughty  
No bitch can afford me  
I'm about girl I did it with wardy  
And the places I go we making the dough  
It's whips when we land there bitch we don't visit we got  
land there  
So where frequent flyers we cheat on flyers so please  
be quite  
Yeah Dip Set you already know

[Chorus]

[Juelz Santana]  
I'm so built for doing this here  
Yeah I'm high I'm twisted on tilt still doing this here  
Keep a thick chick with me  
Taggin along fat ass and thong attached to my arm  
I might grab it I might smack it tell her to tag it along  
mack and then we gone  
You already know

[Jim Jones]  
Wherever I go  
You see the cop over behind him fronting rocking them  
diamonds  
Glocking my lining till I spot me a diamond  
Cause a bitch into fucking  
Talked her lips into sucking coughing up shit when I'm  
puffing  
Man I'm talking like shit ain't nothing popping cooks of  
chris and I'm stunting  
I plays the bar for the night  
But shit I got to start me fight  
I said excuse me doggs pardon these Nikes (and Ones  
nigga)

[Chorus]
