Are you listening?  
Hear the money talk  
Said the screeching hawks  
To the hand of god

When the colours change  
Hear the teachers say  
No ones safe  
Say no ones safe  
There's no more time

Now youve stolen it  
You can't give it back  
Every coronor  
Will be playing taps

And the rich willll weep  
Like they did before  
Say we want more  
Say we want more

They wont take it laying down  
You better get ready fast  
Fuck war, i said fuck gas masks

Slay, rape, kill now it's too late  
We don't want to but we have to  
Uniform, uniform squad

I wanna fight in the war  
I wanna fight in the war  
I wanna fight in the war  
I want it

Whos up for making some more  
Whos up for making some more  
Whos up for making some more  
Blood money

Slay, rape, kill now it's too late  
We don't want to but we have to

Uniform, uniform squad

I wanna fight in the war  
Whos up for making some more  
Whos up for making some more  
Blood money
