In the last hours of a dying day  
When the shades hang deep & deeper  
Damnation comes upon my soul  
I know my time has come again  
I feel the growing need  
Darkness shall ascend

Must set the night on spell  
Must feel the burning stream  
Behold the rising pentagram  
As fire fills my heart

[Chorus:]  
Obsess me, unholy shadows  
Obsess my hungry heart  
Where the flesh is only a prison  
The magic set's the spirit free

I stare into the emptiness  
My eyes can't let of it  
His crafts fill my soul with life  
And paint my dreams bloodred

Unveiled are my darkest desires  
The temptation knows no bound  
I feast in blasphemy  
Bewitched by the force from below

Take me into your spheres  
Take me far from here  
Life can't please my desire  
Lead me to the throne

Feel close to the realms of death  
Far from all earthly life  
Banned in endless trance  
Mesmerize by the other side  
The shine of evil eyes complets the scenery  
Now as I'm ready for thy infernity

[Repeat:] Must set the night...

[Repeat Chorus]
