[Lemmy:]

Brothers of Metal, warriors of steel  
Bang now your heads to the sound  
Our violent is takin' command  
Together we are standing proud

Drums are pounding, guitars are squealing  
Whimps and posers end we will see  
Bass is roaring, vocals scream wild  
Now metalized blood is running free

[Chorus:]

Spikes'n Metalized Blood  
Chains'n Metalized Blood  
Bullets'n Metalized Blood  
Leather'n Metalized Blood

[Wannes:]

Streams of blood, streams of Metal  
Are blazin' in our veins  
As brothers come and losers go  
The Metal-cult remains

Power chords come crashing down  
Screams of frantic aggression  
Only the true maniac souls  
Can feel the Metal possession

[Repeat Chorus]

[Okkulto:]

BANG OR BE BANGED !!!

Spikes, chains, bullets, leather  
'n Metalized blood

[Toto:]

Hard and heavy, loud and proud  
Our legions rule and never fall  
United by Metal forever  
That's burnin' in us all

Fists are risen, heads are bangin'  
So it has to be  
Hail to the cult of Heavy Metal  
Forever and in eternity

[Repeat Chorus]
