Waste of flesh

Oh, holy priest, the mighty lord  
Will give you strength to rape them all  
The punishment the last you get  
Will cut your face and steal your breath

Vile We Dwell  
These morals cut the play

Is it justice you are crying for  
Ok, lets rape the holy whore  
With gleamy steel I'll wide your holes  
For setting free the holy ghost

Vile We Dwell  
I wish them hell  
To feces they fell  
Vile

Waste of flesh

Assassin of the virgin bride  
Lets get in contact with my knife  
Please come to me you bloody tool

I'll break your neck you broken fool

Vile We Dwell  
These morals cut the play

Mass murders I'll await you fine  
Preparing for your sacred shrine  
Your tan I'll cut your bones I'll clean  
To build your new reality

Vile We Dwell  
I wish them hell  
To feces they fell  
Vile We Dwell

Unworthy for the gift of life  
Marched on poisoned, fucked up soil  
Infects the soul, cursed the goal  
These visions now will crush us all

Vile We Dwell  
I wish them hell  
To feces they fell  
No need to tell  
I wish hell
