Stay away from the chilli verde
You take the heat - it's gonna bite back

Unless you want to get blown away
Treat the spider with a little respect
Blast off at cape canaveral
Toilet seat is your launching pad
4-3-2-1 blast off!
Blast off at cape canaveral
Unless you want to burn in that 'roid

Capsaicinoids are a thing to aviod
We'll be laughing
And rolling on the floor
When we hear you screaming through that door

All systems go!
Blast off at cape canaveral
Blast off at cape canaveral
4-3-2-1 blast off!

Burning all yo' hair down there-o
Jalepeno, habenero
Picinu, vindaloo
They're gonna getcha
They're gonna getcha, too

Take the time to pick them out
You know those red things in the jung pao?
Don't say I didn't warn you now
Or the spider gets grouchy
And it's time to countdrown!
Blast off at cape canaveral

(oooh! oh oh oh!)
Blast off at cape canaveral
(woooooh!)
Blast off at cape canaveral
(Houston, we have a problem)
Blast off at cape canaveral
4-3-2-1 blast off!
