It's alright to tell me what you think about me
I won't try to argue or hold it against you
I know that you're leaving you must have your reasons
The season is calling and your pictures are falling
down
Falling down

The steps that I retrace the sad look on your face
The timing and structure did you hear that he kissed
her?
A day late a buck short I'm writing the report
On losing and failing when I move I'm flailing now

And it's happened once again
I'll turn to a friend
Someone that understands
Sees through the master plan

But everybody's gone
And I've been here for too long
To face this on my own
Well I guess this is growing up
Well I guess this is growing up

And maybe I'll see you at a movie sneak preview
You'll show up and walk by on the arm of that guy
And I'll smile and you'll wave we'll pretend it's okay
The charade it won't last when he's gone I won't come
back

And it'll happen once again
You'll turn to a friend
Someone that understands
And sees through the master plan

But everybody's gone
And you've been there for too long
To face this on your own
Well I guess this is growing up

Well I guess this is growing up [5x]
