Got off the plane at LAX with a clean slate ahead
No more cardboard girlfriends
I hope that never happens again
Maybe I'll run into the real Miley
The thought of that, it made me kind of smiley
Let's not be ridiculous
She's way too famous... KICK IT

I took a walk down the Hollywood Boulevard
To clear my mind and think about where to start
My life and all my dreams and that's when I saw her
Far and in a blur
I need to know for sure

So I run up to her
And to my surprise
It's a cardboard cut out again
This can't be happening
Why is this happening
I'm not going to lie
You're looking pretty fine
Oh no what am I saying
Get out of my head Miley

I start run run run away everybody's looking at me now
Like who's that kid that's throwing a fit
He's pretty weird looking too
I can't focus with this cardboard all around me
I see her at every single party
What do you mean you can't see her?
Please take this brochure
I recommend this brochure
It worked for that guy!

I'm done with this
Get out of my head
I'm sorry but it's gotta be over
Goodbye goodbye
What the beep
Stop messing with me
This isn't fun anymore

Get out of my head Miley

When I'm playing my XBox There she is.
When I'm making breakfast. There she is.
When I'm trying to take a shower. There she is.
Everywhere I look there she is

HEY DAVE I'm GONNA KILL YOU
Ohhh my goddddd
Please don't kill me
HERE I COME BETTER RUN RUN RUN
Oh my gododododdd
Get out of my head Miley
