Walking home
On Saint Patty's Day,
I found a lucky penny,
Along the way.
Put in my pocket,
The one with the hole in it.
These days things don't seem to go my way...

I know it it's tough sometimes to be with me,
When I'm predicting rain most everyday.
But lately I've been right, almost every time
These days things don't seem to go my way...

What would I do?
If I hadn't already got lucky once with you?
I hadn't already got lucky once for you?

So I keep tellin' myself something's gonna change.
Maybe I'll get lucky,
Then I can smile again
'Cause that's what I wanna do,
I wanna smile for you
I'm waiting for somethings to go my way...

What would I do,
If I hadn't already got lucky once with you?
If I hadn't already got lucky once with you?

FUCK SAINT PATTY'S DAY!
I'm throwing my pennies away!
But I'm holdin' on,
To a single lucky charm!

That's what I wanna do,
I wanna smile for you,
I'm waiting for somethings to go my way...

What would I do,
If I hadn't already got lucky once with you?
If I hadn't of found you,
What would I do,

If I hadn't already got lucky once with you?
If I hadn't of, wouldn't of, couldn't of,
What would I do,
If I hadn't already got lucky once for you?
