Yo I can't believe
That you actually clicked this
A perv like you
Your life must be inflicted
Well thanks for the view
It really means a lot
That's right, one mill, two mill
I'm still on top
So what you expect
This is you tube
No naked girls here
So I guess that you loose
Sorry I'm just saying how it is
I'd love to see the look on the face of your kids
Ouch!

(Chorus)
You are a pervert
You are a pervert
You are a pervert
Don't deny
That's right
You are a pervert
You are a pervert
You are a pervert
Don't deny
