Welcome to this convent, pure fertility to breathe
Masturbating mental sickness holy mother for all tease
Your filth will always guide my souls
We love your entities
Confession always clears our sins
We live for sodomy!

We are, true
Queens of Sodomy
Deep throat confessions, Destined Blasphemy
Hell yeah!
We are, true
Queens of Sodomy
Licking heels of fire, Devotion the supreme

Hardcore to the core, entertained up the max
Your fevered licking tongues forming me like wax
In ecstasy I will kneel before
Your bobbies like shrines to me
Tragedy always clears our sins
I curse you, entity

We are, true
Queens of Sodomy
Deep throat confessions, Destined Blasphemy
Hell yeah!
We are, true
Queens of Sodomy
Licking heels of fire, Devotion the supreme

Cum on you suckers for Eve's apple we will bang you
all!

Queens of Sodomy! [x3]

Welcome to this convent, pure fertility to breathe
Masturbating mental sickness holy mother for all tease
Your filth will always guide my souls
We love your entities
Confession always clears our sins
We live for sodomy!

We are, true
Queens of Sodomy
