Hey! Do you believe there's anything  
beyond troll-guy reality? I do. I do. I do.  
It gets so hard, just to be okay  
Sometimes being happy baby is what  
I'm most afraid of  
Baby, you know, It gets so hard for  
me to fight--I don't know how I  
guess I never did--Why don't you  
show me how--how to lose control  
(she's so very I don't care)  
just cuz my world, sweet sister, is so fucking  
goddamn full of rape--Does that mean  
My body must always be a source of pain?  
No. No. No.  
(She's so very I don't care, She's so very I don't care)  
Just cuz I named it right here sweet  
chickadee don't mean for a minute you  
should think I'm the opposite of  
anything--but if you wanna know for sure  
I'll tell you  
We're not gonna prove nothing nothing  
Sittin around watching each other starve  
What we need is action/strategy  
I want I want I want  
I want it now.  
I believe in the radical possibilities of pleasure, babe.  
I do. I do. I do.
