White boy : I don't think it's a problem cuz  
Most of the girls ask for it

Kathleen : Uh huh, how did they ask for it?

White boy : The way they act, the way they...  
I...I can't say they way they dress because  
That's their own personal choice

White boy : Some of these dumb hoes,  
Those slut rocker bitches walking down the street,  
They're asking for it, they may deny it but it's true.

Lay me spread eagle out on your hill, yeah  
Then write a book bout how I wanted to die  
It's hard to talk with your dick in my mouth  
I will try to scream but the pains a little nice for me now

WHITE BOY...DON'T LAUGH...DON'T CRY...JUST DIE!

I'm so sorry if I'm alienating some of you  
Your whole fucking culture alienates me  
I can not scream from pain down here on my knees  
I'm so sorry that I think!

WHITE BOY...DON'T LAUGH...DON'T CRY...JUST DIE!
