I can't fight this feeling any longer
And yet I'm still afraid to let it flow
What started out as friendship, has grown stronger
I only wish I had the strength to let it show

I tell myself that I can't hold out forever
I said there is no reason for my fear
'Cause I feel so secure when we're together
You give my life direction, you make everything so
clear

And even as I wander I'm keeping you in sight
You're a candle in the window
On a cold dark winter's night
And I'm getting closer than I ever thought I might

And I can't fight this feeling anymore
I've forgotten what I've started fighting for
It's time to bring this ship into the shore
And throw away the oars forever

'Cause I can't fight this feeling anymore
I've forgotten what I've started fighting for
And if I have to crawl upon the floor
Come crashing through your door,
Baby, I can't fight this feeling anymore

My life has been such a whirlwind since I saw you
I've been running round in circles in my mind
And it always seems that I'm following you, girl
'Cause you take me to the places, that alone I'd never
find

And even as I wander I'm keeping you in sight
You're a candle in the window
On a cold, dark winter's night
And I'm getting closer than I ever thought I might

And I can't fight this feeling anymore
I've forgotten what I've started fighting for
It's time to bring this ship into the shore
And throw away the oars forever

'Cause I can't fight this feeling anymore
I've forgotten what I've started fighting for
And if I have to crawl upon the floor
Come crashing through your door
Baby, I can't fight this feeling anymore
