Why can't you see you torture me  
You're already thinking about someone else  
When he comes home you'll be in your arms and I'll be  
gone  
But I know  
My day will come  
I know someday  
I'll be the only one  
So now you wait for his spark  
You know it'll turn you on  
He's gonna make you feel the way you want to feel  
When he starts to lie when he makes you cry you know  
I'll be there  
My day will come  
I know someday  
I'll be the only one  
Call me selfish call me what you like  
I think it's right to want someone for all your own  
and not to share her love  
And I'll have my way and won't have to say anyway  
I've got you  
You didn't stand a chance  
You want perfection  
I see your self destruction  
You don't know what you want  
It's gonna take you years to find out  
I'm not giving up  
And when you've had enough you'll take your bruised  
little head  
And you'll come running back to me  
You know that I'm gonna be the only one.
