i'm not punk  
how can i be?  
show me the way to conformity  
try to be different  
but it's always the same  
end up playing someone elses game  
i'm just a square goin' nowhere  
i'm just a square goin' nowhere

you used to walk by my side  
now you see me  
now you hide  
i see you here  
i see you there  
i can see that you care

i'm just a square goin' nowhere  
i'm just a square goin' nowhere

i'm just a square goin' nowhere  
i'm just a square goin' nowhere  
i'm just a square goin' nowhere  
square goin nowhere
