Talking about our life
No matter how much I don't like
Talk is never cheap between you and me
Look at how far we've come
And still we always come undone
Maybe that's how it always has to be

I'm out here alone
Talking on the phone
Tensions are rising
This is the way it goes
It's never surprising
When I get home

Maybe we'll fall in love
Talking about our life
Seems like we never get it right
But we always get an A for effort
Communication's the only way
We sweat to find what to say
If we ever hope to stay together
Communicate!
I'm out here alone
Talking on the phone

It's never surprising
Tensions are rising
This is the way it goes
Maybe we'll fall in love

When I get home
If there's a solution, I'll fix it now
And if there isn't, I'll just be there
Tell me the problem, I wanna know
If I don't say something, don't say I don't care
Well, I go yaddadda-yadda-ya

And you go yaddadda-yadda-ya
yaddadda-yadda-yadda
Is what we gotta do

I'm out here alone

Talking on the phone
Tensions are rising
It's never surprising
Maybe we'll fall in love
This is the way it goes
When I get home

Or maybe we'll fall in love
When I get home

I said, maybe we'll fall in love
When I get home
