[music: F. Torchia/lyrics: A. Marchisio]

Once upon a time I saw a mighty angel  
Once upon a time his aura did shine  
All the heavenly creatures came to see this angel  
But now his glory is lost in the sands of time

Who am I? Why am I here?  
What are you looking for in my eyes?  
Am I the answer to all of your questions  
Or an idol that tells you lies?

Changing skin, holy wine has made me thirsty  
Dying like a martyr is not enough to be Christ  
Changing skin, all this singing has made me deaf  
Once upon a time I saw an angel and the angel was me

Once upon a time I saw a scary devil  
Once upon a time his nails scratched my back

People were running scared when they saw this devil  
But now his acts and thoughts are allowed to rule the  
world

Who am I? Why am I here?  
What are you looking for in my eyes?  
Am I the answer to all of your questions  
Or an idol that tells you lies?

Changing skin, holy wine has made me thirsty  
Dying like a martyr is not enough to be Christ  
Changing skin, all this singing has made me deaf  
I saw a devil and the devil was me

Being mocked, being loved, being despised and then  
forgotten  
Is the doom of this clown with crazy eyes and cynical  
smile

I've been changing my skin  
I've been changing my skin
