If you want some good advice don't let her go she's the  
one who stood by you  
What is this thing you both have become that leaves  
love undecided  
Don't walk away don't run from yourself it's not her for  
somebody else  
It's not a rainbow you see through tears in your eyes  
don't think love is onesided

Word that were spoken never to be broken to walk as  
one for a lifetime  
Then comes the doubt and all those greener pasture  
that leaves love undecided  
Don't walk away...  
[ steel - guitar ]  
The earth is worn her sides are torn and tattered like  
the sand the ocean gathers  
They are as one and no devinely God believe in love  
reunited  
Don't walk away...  
Don't think love is onesided
