The walls are closing in again, oh well  
The walls are closing in again, oh well  
I seen some things I thought I never saw  
Covered in hair (hair)

Paul's dad is warped and bubbling, oh well  
Paul's dad is warped and bubbling, oh well  
And my mind is up here on another wave  
Covered in hair (hair)

She won't grow

You've got a monster (distress) in your parasol (why,  
yes)  
You've got a monster (divorce) in your parasol (of  
course)  
You've got a monster (displeasure) in your parasol (my  
treasure)  
You've got a monster (your pain) in your parasol (drives  
me insane)

Paul's sister is an alien, oh well  
Paul's sister is an alien, oh well  
I seen some things I thought I never saw  
Covered in hair (hair)

She won't grow

You've got a monster (distress) in your parasol (why,  
yes)  
You've got a monster (divorce) in your parasol (of  
course)  
You've got a monster (displeasure) in your parasol (my  
treasure)  
You've got a hole (your pain) in you I never saw (drives  
me insane)  
In your parasol, in your parasol (insane)

(Drives me insane)

I'll cut your pretty face
