All dressed up  
No where to hold  
Kiss of living  
On the go

Polly wants a crack rock  
Polly's on the wrong block  
Polly wants a crack rock  
Polly wants a crack

All fucked up  
Hanging around  
Fold that hit  
Sue go down

Polly's on the wrong block  
Polly wants a crack rock  
Polly's on the wrong block  
Polly wants a crack rock

1, 2, 3, 4

Gotta hit it  
Got-got to hit it, hit it

Polly's on the wrong block  
Polly want a crack rock  
Polly's on the wrong block  
Polly want a crack rock  
Want a crack rock  
Want a crack rock
