Buried in the sky
Where the ocean ends
Wine left in the blood
Cleaner in the mud
Every day she waits
All coincidence
Honestly a lie
Corners of the smile
Who will clean your slate
When your well has freed
Forks along the road
Tongues misunderstood

Up in hell

Buried in the sky
Where the ocean ends
Wine left in the blood
Cleaner in the mud
Every day she waits
All coincidence
Honestly a lie
Corners of the smile
Who will clean your slate
When your well is free
Forks along the road
Tongues misunderstood

Up in hell

Honestly a lie
Buried in the sky
All coincidence
Where the ocean ends
Wine left in the blood
Tongues misunderstood

Wine left in the blood
Cleaner in the mud
Every day she waits
All coincidence

Honestly a lie
Corners of the smile
Who will clean your slate
When your well has freed
Forks along the road
Tongues misunderstood
