Since you're gone, I sat at home
And wonder why, no, I'll never be free
But the thought of you goin' with another guy
No, it could never be me

You took a ring and pawned our love away
What can I say? I am left behind
So I take a drink, another cigarette
I can't forget that you once were mine

What can I say?
I guess it wasn't meant to be
But now you're gone
It's just, your love is like a drug

It's been so long, your folks have bet you gone
I know that you're alive inside
So I hope and pray you won't throw this love away
I just wish that you still were mine

What can I say?
I guess it wasn't meant to be
But now you're gone
It's just, your love is like a drug
