Heaven, I'm in heaven  
and my heart beats so that I can hardly speak  
and I seem to find the happiness I see  
when we're out together dancin cheek to cheek

Heaven, I'm in heaven  
and the cares that hung around me through the week  
seem to vanish like a gamblers lucky streak  
when we're out together dancin cheek to cheek

Oh, I'd love to climb a mountain,  
and to reach the highest peak  
but it doesn't thrill me half as much as dancin cheek to  
cheek

Oh, I'd love to go out fishin  
on a river, or a creek  
but I wouldn't enjoy it half as much  
as dancin cheek to cheek

Dance with me, I want my arms around you  
the charm about you, will carry me through to

heaven, I'm in heaven  
and my heart beats so that I can hardly speak  
and I seem to find the happiness I see  
when we're out together dancin cheek to cheek
