Hail you forgotten gods

Sleeping the step of death

Return to blood soaked power

To fierce tyrants reign

They somnambulate on burning foots prints

Haunting black infinity

The shadows beyond the stars

Unholy flesh of shoggots distorting time and space

Black tentacles atrocious $\tilde{A}f\hat{A}$ ¢â,¬" mouldery slimy

trace

Recover the lands of an eons lasting dream

To enslave all mortal life

And bring madness over men

Hail you forgotten gods

Sleeping the step of death

Buried you dwell in R'lyeh

Receive my words $\tilde{A}f\hat{A}\varphi\hat{a}$,¬" chaos $\tilde{A}f\hat{A}\varphi\hat{a}$,¬ \tilde{A} , \hat{A} ¦ arise!

Winds of time chase my prayers

Through the depths $\hat{A}f\hat{A}$ ¢ \hat{a} ,¬" resurrect!

Wake the dead dreaming gods

Cthulhu thee who lurks beyond the threshold

Buried under black withered megaliths

Under cold and bare distant desert planets

In abyssmal depths beyond blinking stars

Fleshless bodies dream of a new return

Drunk now is my blood, opened is the path

Ancient Ones return, cosmic wrath unleashed

Shub Niggrath bleat! Your Sothoth arise!

Voices chanting pain $\tilde{A}f\hat{A}$ ¢â,¬" scream from a

thousand mouths

Forces raising dead mountains of flesh

Protoplasmic waves spilled from outer space

Transformed is my flesh, blackened now my heart

Fallen my disguise $\tilde{A}f\hat{A}$ ¢ \hat{a} ,¬" shoggot forces mine!

The triumphatic rise of the Ancient Ones

Invading land, sea and sky in their lust for

chaos $\tilde{A}f\hat{A}$ ¢ \hat{a} , $\neg \tilde{A}$, \hat{A} ¦

An age of occult worship

ph'nglui mglw nath Cthuluhu R'lyeh wgahnagl

fhtagn $\tilde{A}f\hat{A}$ ¢ \hat{a} , $\neg \tilde{A}$, \hat{A} ¦

To flesh turned fear in grey disguise

Has lead it's trail for eons long

And eons more it will lead on until the galaxy declines Yet Luna splits her gruesome rains Of light over a world in fright And while the tides of time pass by The grey still walks these haunted planes $\hat{A}f\hat{A}$
