Interstellar eclipse caused
By protoplasmic bombardments
Extraterrestrial invaders encompass the universe
Infernal invasion enchant me
Systematic obliteration ãfÂçâ,¬" hate me!
Lifelessness invaders your eyes
Demonized, in fire baptized
Chaotic birth of a new domain
Static, emotionless
I am the repulsor
Corrosive spiritual fragments
Drowned in grey
I am the repulsor
Human factors fail again
Lifelessness invaders your eyes
Demonized, in fire baptized
Chaotic birth of a new domain
Static, emotionless
Hordes of bio machines
I am the master of
This is my legacy ãfÂçâ,¬" repulsor!
I flight the war no one has fought
I am the wretch that's never caught
Infected diffusion ãfÂçâ,¬" repulsor!
Electrostatic aura, I am the catalyst
Life and death means nothing to me
Demonized ãfÂçâ,¬" genocide ãfÂçâ,¬" demonized
Brutalized ãfÂçâ,¬" demonized ãfÂçâ,¬" brutalized
So bow down before me
Because resistance is futile
