It feels so cold tonight
My skin has turned to ice
Dead and gone are all emotions
Breeding pain enwraps
All the tears that wash away
Life's unreal
Values of joy and love
Pale are my eyes ãfÂçâ, ¬" frozen my heart
Time and space, life and death
Pale is my mind ãfÂçâ, ¬" stone cold my soul
I am the accuser that recreates hell on earth
For waits in yours restrictive
Three dimensional world?
Too late, too cold ãfÂçâ, ¬" none hides of the truth!
For I have seen ãfÂçâ, ¬" the prophecies foretold
Abstract realities crash into the void
A heaven built on non-provable facts ãfÂçâ, ¬" a lie?
The wisdom bursts ãfÂçâ, ¬" my veins as I
Tremble in ãfÂçâ, ¬" unreal delight
And even it hurts ãfÂçâ, ¬" to belong to the knowing
An I not ãfÂçâ, ¬" the fulfillment of all quests
Trust me you that ãfÂçâ, ¬" bears ãfÂçâ, ¬" the
nuclear winter in his soulãfÂçâ, ¬"ã, Â!
I'll pour out my soul
To show my inner strength
And wouldn't you agree
If was the highest excitement you've felt?
So give me all your heart and I will take your life
For I am the reborn ãfÂçâ, ¬" beast that will
Extinguish all ãfÂçâ, ¬" your mortal kind
Or might it be a too ãfÂçâ, ¬" radical step ãfÂçâ, ¬" to
immortality?
But I thought ãfÂçâ, ¬" you couldn't await to enter
My heaven so accept it ãfÂçâ, ¬" cause our time has
come
I rise ãfÂçâ, ¬" you fall
