Best friend of mine, we're closer than close
Something very rare to find, we're opposite sexes
We can talk about anything, that's why I love you
And it's hard to try to hide what I'm confessing

That I can't help it, I'm so into you
You send me to the sky
Keep me breathless, oh I'm wanting you
And I can't deny it, I want to be more than this

'Cause you give me reason
To fall in love again, but I'll leave it as it is now
For another day
Oh baby, for another day

Best friend of mine, knows what to say
Any time of the day, that's why I call her
She turns me on, ain't afraid to show it neither
'Cause baby I'm still a man and you know you want to
too

'Cause you take me higher
Now I'm breathless man
Do you even know that this lust is growing without you
knowing?
Hey, I wanna show yo ass

You give me reason
For another day
For another day

For another day
Something won't let me be, how can we go on
Let me lay with you while it's full grown
You know I want more from you
You give me reason for another day
For another day

Day
Day
For another day

For another day
For a day
For another, for another

Another day
One more day
Day
For another day
For another
Day day day day day oh
