How long do you crawl the world?
Through..am I used to
We're all in pain.
Made you strong, ohh
Did you ever get tired to wait, yeah
Give you shell anticipate.
Ooold soul.
Keep on again.

You were born to fly.
Then you're not so shy.
When you're ready, you're ready, ohh
Angels smile
Gloom to blue
recreation
through and through
a colour blue
and morning

Butterfly
The struggle makes you beautiful
The struggle makes you fly
Spread your wings and be new again.
Butterfly
The struggle makes you beautiful
The struggle makes you fly
Spread your wings and be new again.
