You know, baby, my Mama used to say
Be very careful what you wish for
'Cause you just might get it
So here it goes

Yeah, got to put it on you, daddy
Yeah, got to give it to you right
The question is are you ready?
Check it

Tuesday night by the fireplace
A couple glasses of champagne and freak was written
on your face
Said you were bored, you wanted something new
So I went to the kitchen, 'cause I got something for you

Well, here I am, drawers in the hand
Housewife goin', think she won't be back till 10 a.m
Follow me back to my fun-room
Got a slick backhand 'cause I wear a size perfect for
you

I can't wait to put my hands on you
Show you what you wanna see
I'll give it all to you, yeah, yeah

I can't wait to get my hands on you
If this is what you wanna do
I hope you're ready, boo, yeah

Well, here it is, what you want
You look a little nervous, baby
Now ain't the time to front
So sit back, keep your cool
I'd do a new trick, I wanna show you the rules

(Are you ready)
I found my blindfold, baby and my leather whip
(Are you ready)
If you're feelin' the need, then grab my hips

(Are you ready)
To be treated like a piece of steak
(Are you ready)
If you're a good boy, I might just let you penetrate

I can't wait to put my hands on you
Show you what you wanna see
I'll give it all to you, yeah

I can't wait to get my hands on you
If this is what you wanna do
I hope you're ready, boo, come on, come on

I can't wait to get my hands on you
Show you what you wanna see
Give it all, give it all to you

I can't wait to get my hands on you
If this is what you wanna do
I hope you're ready, boo, yeah

Wanna get my hands on you
Do something to you
Get my hands on
Yeah
