Who's the reason for my daddy's grin?

At first glance
(echoes) Chemical reaction
Didn't even say a word
(echoes) Mutual attraction

(echoes) Baby Making Hips
(echoes) Aint' gon trip
Rock and roll for months now
You can call me pullout faster
But if by chance I come to slow
(echoes) U can say it was Predestine
Since we started out in 30 years
On day one
Step into the here and after
(Day one)
Babies making babies making

chorus
Who's the reason for my daddies grin?

(echoes) The answer
It's true
Your momma
It's true
Brings drama
It's true
Then she got me
It's true
Cause I'm your father

Verse 2
I hear she has a child
People say looks just like me
But I haven't seen her in a while
Every since she tried fight me
Now she's hurtin it, That's it, Oh shit
City papers in the mail
Looka here at what I started
But if I laid that Pipe down
Maybe then she'll drop the charges

Man she's Psycho (psycho) man she's psycho
Yes she's loco(loco)
Sexy as she wanna be
Well is all my fault
Babies making babies making

It's true (fades)
