I can talk and talk and talk, you don't listen to what I
say. I can scream one thousand screams, you always
cry, "No way!" You are
Stuck in a little world, a closed mind, your fate. The
more and more you look at me, the more and more I
hate. NO I DON'T NO!
Things you do drive me up the wall, you do them to dig
into me, hoping I will fall. Well I have some advice for
you, so as not to
Waste your time. I'm coming to a boil and vengeance
will be mine. NO I DON'T NO! Feelings of love, feelings
of hate, I can't decide
Which one to take.
