[Intro]

This is a song that makes me spill out all my guts
Sometimes

Sometimes, I wish I wasn't me
Sometimes, I wish I was drug free
Sometimes, wish I saw the exit sign first
Sometimes, wish I knew the truth without search
Sometimes, I wish I could go where I never been
See what I never saw, do what I never did
Or walk before I could crawl

Sometimes, I wish my eyes wasn't so red
Sometimes, I wish I had breakfast in bed
Sometimes, I mean it's worth it
Since I did all the work last night
Sometimes, you ain't good to me, yes
I am good to you
And you don't see my attention the way that I do

Sometimes, hey slim, you should be nicer than you are
Sometimes, you take that complaining shit way too far
I mean, I thought it was cute in the beginning but now
I think you only do it 'cause you know I hate it
Sometimes, you got me wishing I didn't have home
training
Sometimes, then it wouldn't hurt me so bad
With dreams of knocking you in your head
Then it wouldn't hurt me so bad
With our kitchen knife put up your ass

Sometimes, wish I knew life with no pain, yeah
Wish I held the keys to this game
Sometimes, I pretend 'cause I'm afraid to be, afraid to
be
Sometimes, I hope I live to see twenty five
Sometimes, I wish I could be like Moses
Round up my people, move out the ghetto
And live a better life
Sometimes, I wish I didn't try so hard
Sometimes, who knows truth any way
They don't know nothing, who needs that approval

The sun in your hands player
Move at your own pace, listen to your own mind
Do your own thing, yeah yeah
I'm saying it because I love ya
And I wanna grow with you, yeah yeah
But you wanna run in the other direction
So I got to stay on my path until I win
I win, I win, I win
I wanna win, I wanna win, I wanna win, I wanna win

Oh sometimes, sing it with me I wish
(I wish in love) And I wish, oh I wish
(I wish in peace) Oh sometimes
(I wish in hope) I wish hope
(I wish true) I wish true
(I wish clearly) Hey I wish so clearly sometimes
(Wish with no fear) I wish with no fear
(I have no fear) I have no fear
(Have no doubt) I have no doubt
(I don't doubt) I don't doubt
(Have no doubt) No, I don't doubt
(Have no doubt, I wish love)
I wish love, hey hey

Ad lib until fade
