Verse 1

It's all in her eyes
You and me
Words just disguise
All the things that you be

What is deep
It's deeper than deep
So only it knows
This kind of vibe
Gets stronger in time

Won't go on unnoticed
So concrete can't hold this
Hearts filled righteously

Whatever it is
I know that it's real
Long as you know
No complaints
You're all that I feel

CHORUS

Si-sta-soul
(You must be my soulsista, soulsista)
Si-sta-soul
(Hey sis, you must be my soulsista, soulsista)
Si-sta-soul
(Hey sis, you must be my soulsistaaa)
Si-sta-soul

Verse 2

You are so fine
(Like spaces that fall in my soul)
See baby that has no rhyme
Do you like how it feels
When I smoke you out
Head down to your toes
Making you scream and shout
You must be my soulsista, soulsista

CHORUS

Si-sta-soul X6

Music...

(Hey baby can I talk to ya)
Can I love you in the right way (Way)
(PLEASE)
Soul
(HOLD)
Baby I want to
(LOVE)
You know baby I want to
(LOVE)
In the right way
(HOLD)
Cause you're my
(SOUL)
Sista, baby you are
(MY)
All I wanna do is
(LOVE)
