Holla, Holla, Holla.  
So all my girls in the back say ooh.  
Cause you know just how we do.  
Side to side, and front to back.  
If you aint taking that. (Holla. Holla.)

For satisfaction, you really need to get your own things  
happening. (Holla holla.)  
For satisfaction, you really need to get your own things  
happening. (Holla holla.)

Oh this beat is hot, tonight it's on.  
I'm felling sexy, I want to be in control.  
Handle on my business, I'm not afraid.  
I'm doing nothing and I'm doing this.

So all my girls in the back say ooh.  
Cause you know just how we do.  
Side to side, and front to back.  
If you aint taking that. (Holla. Holla.)

For satisfaction, you really need to get your own things  
happening. (Holla holla.)

happening. (Holla holla.)

I know you like, what you see.  
Are you sure, you want to stick to me?  
Hop in my Jag, baby we can go.  
Just remember, you gotta keep it up for me.

So all my girls in the back say ooh.  
Cause you know just how we do.  
Side to side, and front to back.  
If you aint taking that. (Holla. Holla.)

For satisfaction, you really need to get your own things

We roll down one way.

We push down straight.  
When we pull in the club my boys pop in.  
We independent.  
We don't need it, but we take what you got.  
We all hot outside, so hit the top on the drop.  
I'm understanding, you can stand me because I'm so  
outstanding.  
Fools demand me like I'm candy 'cause my body's  
slamming.  
I'm always fly, always shine, always grind.  
More than a dime and don't even try.

So all my girls in the back say ooh.  
Cause you know just how we do.  
Side to side, and front to back.  
If you aint taking that. (Holla. Holla.)
