I guess I never learned to love a woman.  
I took my love on the run,  
I was the fastest gun.  
I never let somebody touch me, not really.  
Now baby try to be unbiased.  
They say the wound (injures me twice).

Sail, sail me down your river.

Baby, do me right.  
I got a lot to learn about love tonight,  
Do me right.  
Can you feel the need in me?  
Baby, hold me tight  
'Cause I feel the heat in you.  
Baby, do me right.

You press against my chest to hear my heart beat.  
But there's the roar of the tide  
And the (full overdrive).  
I guess you can tell I've lived a hard life  
From those lines in my eyes  
All those false stars and my broken pride.

Sail, sail me down your river.

Baby, do me right.  
I got a lot to learn about love tonight,  
Do me right.  
Can you feel the need in me?  
Baby, hold me tight  
'Cause I feel the heat in you.  
Baby, do me right.

Oh, when you sail me down your river  
I know your love will do me right.

Oh, Baby, do me right.  
I got a lot to learn about love tonight,  
Do me right.  
Can you feel the need in me?  
Baby, hold me tight

'Cause I feel the heat in you.  
Baby, do me right.

Baby, do me right.  
Can you feel, can you feel the need in me?  
Oh, hold me tight.  
'Cause I feel the heat in you.  
Baby, do me right...

Baby, do me right.  
Can you feel, can you feel the need in me?  
Oh, hold me tight.  
'Cause I feel the heat in you.  
Baby, do me right...
