I don't wanna see your face.  
I don't wanna hear your name.  
I don't wanna think.  
Just stay away, baby.

Don't want to know if you're alright  
Or what you're doing with your nights.  
Don't want to hear you say  
That you'll stay in touch, maybe.

I'll get by just fine.  
And you're going then,  
Goodbye. Goodbye.

Don't call me (don't call me)  
In the middle of the night no more,  
Don't expect me to be there.  
Don't think that (don't think that)  
It'll be the way it was before,  
Don't think that I care.  
I'm not over you yet  
And I don't wanna be your friend...

Don't wanna be your friend.

I'll forget we ever met.  
I'll forget I ever let,  
Ever let you into this  
Heart of mine, baby.

You just gotta let me be.  
Gotta keep away from me.  
'Cause all I want is just  
To be free from you, baby.

Don't you come around.  
Don't say you still care about me,  
Just go now, go now.

Don't call me (don't call me)  
In the middle of the night no more,  
Don't expect me to be there.

Don't need me (don't need me)  
It'll be the way it was before.  
Don't think that I care.  
I'm not over you yet  
And I don't wanna be your friend.

The days are casually,  
But baby it's killing me.

Oh, I'll get by just fine.  
So if you're going then darling, Goodbye, goodbye.
