Time don't seem to cure my heart from you  
Still seem to turn the screw  
Inside.

I think I'm coming up for air  
Look up and you're still there  
Inside.

And it's you,  
Every other thought you burned in my mind.  
And it's you,  
Every other word I say is your name.  
And it's you here in the night,  
Even in my dreams, can't leave you behind.

Obsession, Running through my blood.  
Obsession, I can't get enough.  
Obsession, Running through my blood.

Time, don't wipe your memory off my lips,  
Still thirsty for your kiss,  
Tonight.

I think I'm trying to break away,  
But something just makes me stay  
By your side,

And it's you,  
Every other thought you burned in my mind.  
And it's you,  
Every other word I say is your name.  
And it's you here in the night,  
Even in my dreams, can't leave you behind.

Obsession, Running through my blood.  
Obsession, I can't get enough.  
Obsession, Running through my blood.

And it's you,  
Every other thought you burned in my mind.  
And it's you,  
Every other word I say is your name.

And it's you here in the night,  
Even in my dreams, can't leave you behind.

Obsession, Running through my blood.  
Obsession, I can't get enough of your love, of your  
love, of your love.

Obsession, Running through my blood.

Obsession, I can't get enough of your love.

Obsession, Running through my blood.

Obsession, I can't get enough of your love, of your  
love, of your love.

Obsession, Running through my blood.

Obsession, I can't get enough...

Obsession, I can't get enough...

Obsession, I can't get enough... (fade)
