Runnin'  
For somethin'  
Lookin' for someone  
That's why I needed you so badly.

Searchin',  
Search a long time  
You handed me a lifeline  
Then you hung me like a hangman.

Whoa, I can't take it anymore.  
I can't live with you or without you.

It's the price of lovin' you.  
I don't know if I can make it through.  
I'm payin' the price of lovin' you.  
All I know is that I want you, want you.

Take me,  
Play like you'll break me.  
You play with my weakness,  
Tie me up in knots until I'm speechless.

Devil,  
Dressed like an angel,  
Taste just like heaven,  
But your love is poison on my tongue, baby.

Whoa, I can't take it anymore.  
I can't live with you or without you.

It's the price of lovin' you.  
I don't know if I can make it through.  
I'm payin' the price of lovin' you.  
All I know is that I want you, want you.

I can't take it anymore.  
I can't live with you or without you.

It's the price of lovin' you.  
I don't know if I can make it through.  
I'm payin' the price of lovin' you.

All I know is that I want you.  
I'm payin' the price of lovin' you.  
I don't know if I can make it through.  
I'm payin' the price of lovin' you.  
All I know is that I want you, want you.

I'm payin' the price...  
I'm payin' the price...  
I'm payin' the price...  
I'm payin' the price...  
I'm payin' the price...  
I'm payin' the price...  
I'm payin' the price...
