I like the way how you hold and treat me right
that's unforgettable

I like the way how you jump and shake a leg
that's unforgettable, Mathilda

Walk it up, push it up, shake it up, bongo gal
ooh, that's unforgettable

Walk it up, push it up, shake it up, bongo gal
ooh, that's unforgettable

(repeat)

Bongo gal, ooh

Bongo gal, ooh

I like the way how you hold and treat me right
that's unforgettable

I like the way how you jump and shake your leg
that's unforgettable, Mathilda

Walk it up, push it up, shake it up, bongo gal
ooh, that's unforgettable

Walk it up, push it up, shake it up, bongo gal
ooh, that's unforgettable

Bongo gal, ooh

Walk it up, push it up, bongo gal, ooh

push it up, bongo gal, ooh

shake it up, bongo gal
