I can talk and talk and talk, you don't listen to what I  
say.  
I can scream one thousand screams, you always cry,  
"No way!"  
You are stuck in a little world, a closed mind, your fate.  
The more and more you look at me, the more and more  
I hate.  
NO I DON'T NO!  
Things you do drive me up the wall,  
you do them to dig into me, hoping I will fall. Well I  
have some advice for you, so as not to waste your time.  
I'm coming to a boil and vengeance will be mine.  
NO I DON'T NO!  
Feelings of love, feelings of hate,  
I can't decide which one to take.
