(Yeah) Lets be together.  
(Do me) Lets be together.  
Lets be together.  
I want to be together, oh, oh, oh.  
Lets be together, oh, oh, oh.  
Lets be together, oh, oh, oh.  
Lets be together, oh, oh, oh.  
Wont be together, oh, oh, oh.  
If you wont it doesnt matter anyway.  
Never ever even get the time of day.  
Feels so good when you do it too fast.  
Feels so good but the feeling doesnt last.  
Oh, oh, oh (yeah).  
Oh, oh, oh (do me).  
Oh, oh, oh (come on).  
Im so different when Im without you.  
Im so different when Im without you.  
Im so different when Im without you.  
Its you that makes me do these things I do.  
Lets be together, oh, oh, oh.  
Lets be together, oh, oh, oh.  
Lets be together, oh, oh, oh.  
Wont be together, oh, oh, oh.  
Lets be together, oh, oh, oh.  
Lets be together, oh, oh, oh.  
Lets be together, oh, oh, oh.  
Wont be together, oh, oh, oh.  
If you wont it doesnt matter anyway.  
Never ever even get the time of day.  
Feels so good when you do it too fast.  
Feels so good but the feeling doesnt last.  
Lets be together.  
Lets be together.  
Lets be together.  
Lets be together.  
Lets be together.  
Oh, oh, oh.
